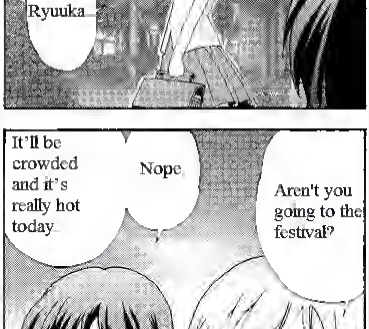
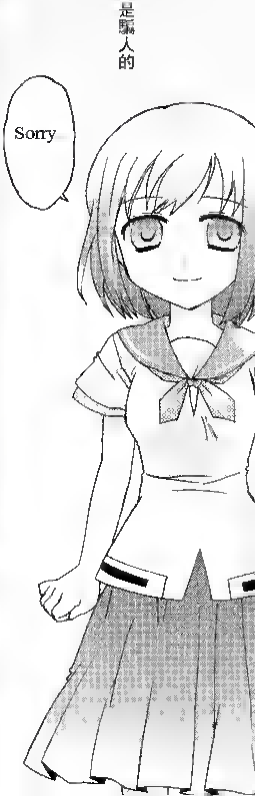
Yep, it's today
Are you coming with us, Toki?
A festival?
Really?
That's too bad...
Fireworks
There'll be fireworks
Oh
But I have something else to do so I can't go



"I have something else to do" is a lie

「今天有事」什麼的是騙人的



I don't mind
Can we eat dinner together today?

There's going to be fireworks too.
Are you sure you don't want to go to the festival?

Yeah
I'm sure!

Uwah

It's more fun like this

cough

That's mean!
Uu.. It doesn't feel very exciting...
Ah, is it the smoke? Sorry, Toki!
cough
cough
Woah, the smoke is really strong
cough
cough
cough
I'm okay

Ah...

Just now,... I saw fireworks.
What are you saying---
Jeez
I'm serious.
Ryuuka, let me see it one more time?
Okay

Hello, I'm Bono.
In the Achiga manga, I liked Senriyama the most.
These two are already a couple in their own world!
I wanted to draw these two, so I did my best, but it turned out very short.
If I have to say where I struggled, it would be when they got to the hotel.
I really tried hard to draw that scene.

It's rare that I got to go scouting for scenery, so I had to use that background.
It would be great if it turned out well.

It's my first time drawing a yuri story.
Because I like that kind of light, fluffy feeling, I drew them with the pretext that they're already a couple.
Therefore, even though it's embarrassing, I still had lots of fun drawing.

I'll be sure to do more works like this in the future.
